H. T. LOGAN.

Lancaster, Kentucky.

Reclaimed Seed Rye and Seed Wheat for sale. Hudson & Hughes.

Walker, the eight year old son of Mr. Geo. D. Robinson was kicked by his pony Monday receiving injuries which will force him to go on crutches for some little time, however, we are glad to say no bones were broken and the injuries while painful are not dangerous.

A local optimist now is one who would have the territorial unit for voting on the liquor question so small that some part of every county would vote wet and have the licensed saloon. The advocates of the whisky interest or all local optionists and would like to have the precinct the unit instead of the county.

Unfermented Wine.

Pick your grapes off then wash put on and boil until seeds begin to come out, then put in sack and strain. To every quart of juice add one large tea-cup of sugar, then let the juice boil, skim and cork tight in jars or bottles. Mrs. Rebecca West.

Ballew

Mrs. George Ballew died at her home in Richmond Ky Thursday morning at 3 o'clock. At the hour of going to press no funeral arrangements had been made but she will be buried in Richmond. Mrs. Ballew was a daughter of Mrs. Edna Frances of this place.

Noted People Here.

Mr and Mrs William Yancey Erwin of Lexington are guests at the home of Mr. J. D. Gulley, where they will remain for a couple of weeks. Mr. Erwin is a poet of considerable renown, being the author of "Waneta," "Sparks from the Anvil" and many other poems. The gifted couple have just returned from an extensive tour of the south, and were under the impression that the Teachers Institute was in session in Lancaster, which occasioned their visit here. Mrs. Erwin was a pleasant visitor to the RECORD office.

Colored Fair.

The Lancaster Colored Fair is being held today (Friday) and Saturday and is attracting quite a crowd from this and adjoining counties. The show of stock is quite good, and the music, which is being furnished by the Lexington Concert Band is unusually good. George Moran is president of the association and "James" Williams secretary, two of Lancaster's best colored citizens. They have spared no expense in their undertaking and they propose to give the best colored fair in the state outside of Lexington. They will receive a liberal white patronage.

Sale Of City Property.

Hughes & Swinebroad sold for G. B. Swinebroad a lot on Highland Street to L. G. Davidson and also a lot adjoining to Theo Currey. Messrs. Currey and Davidson will each build a handsome residence and the lots located on one of the very best streets will be quite an improvement in that section.

W. "Oc." Goodloe Injured.

Mr. W. O. Goodloe sustained a very painful injury Sunday morning. While attempting to tighten the saddle-girth on a young horse in front of his premises on Lexington avenue, the animal reared up striking Mr. Goodloe and knocking him to the ground, the animal then either pawed or kicked him several times, in the head and body. He was carried into his home and a physician summoned. Mr. Goodloe remained unconscious from his injuries for several hours. He is considerably improved and his many friends hope to see him out and back to his duties in a short time.

Mr. John Lackey Dead.

Mr. John Lackey died at 1 o'clock Thursday morning at the home of his son William Lackey near McCreary. Mr. Lackey has been in feeble health for several years and for more than one occasion his life had been despaired of, but he would rally again be able to get out of the house.

Mr. Lackey was 81 years of age and was one of Garrard's most highly respected citizens, he has lived in this county almost his entire life and has built up a reputation for honesty, integrity and fair dealing that it falls to the lot of but few men to leave behind them, but he is one of the few men of whom naught but good can be said. He leaves one son, Willie Lackey, and four daughters, Mrs. Frank Broordus, Mrs. Perry Naylor, Mrs. David Anderson of the county and Mrs. J. D. Gulley, who lives in town. Mr. Lackey was preceded to the grave by his good wife some four years since, and his remains will be placed by her side in the Lancaster cemetery this (Friday) afternoon, after appropriate funeral ceremonies, the details of which we were unable to secure at the hour of going to press.

Pellagra In Lexington Asylum.

Pellagra, a disease only recognized by medical authorities in the last ten or twelve years, has broken out in the Lancaster Asylum recently, and several of the patients are afflicted with the disease. Pellagra is a skin disease peculiar to the south. One theory of its origin is that it is caused from eating products of corn that was infected with "smut" this theory is not however countenanced by many of the eminent medical men. It does not yield to medical treatment, and is supposed to be incurable after reaching a certain stage. The only treatment which seems to effect it beneficially is plenty of fresh air, rest and good food.

A great scare was precipitated throughout the state by one of the patients at the asylum, who hoped thereby to gain his own freedom from the institution, writing a letter to the Lexington Herald and singing the name of one of the nurses, stating that the disease was contagious and that it was spreading rapidly in the institution. The letter was traced to its source, the physician in charge of the asylum issued a letter denying the gravity of the situation and the scare subsided.

New Principal Lancaster Schools.

Professor Joseph Leslie Riley, who succeeds Prof. Bridges as principal of the Lancaster Graded School, has arrived and with his wife has taken up his abode at the school building.

Professor Riley has held positions in several states and at the head of several splendid schools, and if credentials and experience count for everything, he will surely make a splendid successor to Prof. Bridges and a strong head for Lancaster's splendid schools.

Professor Riley is a Kentuckian, born at Port Riley in Henry county in 1879, he moved to Owen county when quite young; he graduated at Lynnland Male and Female Institute of Hardin county and also from Georgetown College.

It will be good news to the boys to know that while at Georgetown Prof. Riley was a member of the football team for five years, this fact would indicate that the new Professor will be heartily in favor of athletics in the local school.

Professor Riley was principal of the school at Glencoe, Ky., for two years and of the schools at Luverne Ala. for two years; he was professor of French and German and manager of athletics in Uchita College Ark. for two years, principal of the Jonesboro Ark. High School two years, vice president Edgar's Boys Schools Montgomery, Ala. two years, vice president Bunn-Bell Institute, Waycross, Ga., two years, professor of mathematics Georgia Military Academy of Atlanta Ga. two years, from which place he comes to us.

That Professor Riley is eminently qualified to fill the position here is evidenced by the fact that he has held state certificates in four states Alabama, Indiana, Arkansas and this state, Professor Riley married Miss Katherine McDowell of Warsaw Ky., and he and his wife will be warmly welcomed to Lancaster.

All Democrats come to the Court House Saturday afternoon at 2 p. m., and vote for the extension of the County Unit Bill.

Don't Waste The Water.

The lake is getting low, not dangerously so, but it is low enough to render it advisable to be economical in the use of it. Sup't Herron requests that all patrons of the water works be cautious as to the use of the water, do not waste it, and above all things do not allow hydrants to run all night. Unless these precautionary measures are strictly adhered to it may become necessary to cut off the water supply altogether, thus insuring a supply in case of fire.

Texas Party.

The party who left on August 1st for Crystal City, Texas are returning. Mr. Jas. House and Mr. Lewis Brown called at our office and stated that the country was all that was represented to be by Mr. Wallace Steele General Agent, Texas Land and Development Co. Gus Dunn has also returned and all three parties have an option on some land near this city and think that they will close the deal in a few days. Mr. Aldridge and Mr. Hughes have not returned.

Sanford-Ashley.

Miss Georgia Sanford the pretty young daughter of Mr. and Mrs. L. J. Sanford was on Saturday evening united in marriage to Maurice Ashley. The wedding occurred at the bride's home, Rev. O. P. Bush officiating. The happy young couple left Sunday morning for Cincinnati where the groom holds a position. The bride is an unusually pretty attractive young girl and quite a talented musician. The groom is a son of the late Mr. Silas Ashley a deserving and courteous young man and also a gifted musician. Sincere congratulations are extended them.

Welcome Showers.

With the exception of a few small areas in the northern part of the country, intermittent showers fell all over the county last week, and on Sunday afternoon the Bryantsville section was visited by a regular soaker, sufficient to cause the streams to rise and to furnish an abundance of stock water. Corn and tobacco as a consequence are looking much better. Considerable of the corn in this county is already "made" and the late corn will be if we can have a few more rains. Tobacco is growing nicely, a little backward as a rule, but with anything like seasonable weather during the next month, the crop will be a good one.

Young Lady Burned To Death.

On last Friday night Miss Katie Hicks the 22 year old daughter of Mr. Coleman Hicks, who lives below Marksburg on the Lexington pike was burned to death, supposedly by the overturning of a lamp. Miss Hicks had retired with a lighted lamp on a chair beside her bed, and during the night her parents were aroused by her cries; they found her in the yard with her night clothes a mass of flames, and before they could render her assistance she was fatally burned. Her father was seriously burned about the hands and arms in attempting to extinguish the flames. She is supposed to have knocked over the lamp in her sleep and in her fright rushed into the yard. Her remains were interred in the Lancaster cemetery Saturday afternoon.

Penman Electrocuted.

At 4:45 o'clock last Saturday afternoon in the branch penitentiary at Eddyville, Ky., Shay Penman was electrocuted. Thirty seconds after the current was turned on Penman was pronounced dead, only one convulsive shudder and life was extinct.

The crime for which Penman gave his life as forfeit was committed at the home of Mr. Lee Rankin in Lincoln county Ky. near Huble on the 5th day of September 1910. He had long been a trusted servant of Mr. Rankin and on this day he coaxed little Nancy Lee Rankin the 10 year old daughter of the household to accompany him to springhouse near the home, where he assaulted her.

The father of the child was away from home at the time, but one of her uncles was summoned by telephone and he took the negro to Stanford where he was lodged in jail. Fearing mob violence, Judge Walker ordered the prisoner taken to Louisville for safe keeping. When his trial was had in the circuit court in Lincoln county, soldiers accompanied him to prevent violence.

His trial was a speedy one and a verdict of guilty was soon brought in and his sentence fixed at death. The court of appeals affirmed his sentence, the chief executive refused to extend clemency, and he would have died long since but for the fact that the chair was not ready for service and a delay was rendered necessary.

Penman asserted his innocence to the last. His body was sent to his home in Lincoln county and was buried near Huble on Sunday. Mr. A. L. Rankin father of the child and Dr. Rankin an uncle witnessed the electrocution. Dr. Rankin feeling the negro's pulse and pronouncing him dead.

Plumbing Equipment For Every Requirement.

Is your present plumbing equipment exactly suited to the needs of your household, and is it as sanitary and efficient as it should be? If not, it would be to your profit to have us install "Standard" guaranteed fixtures. This line of sanitary ware is made in such a wide range of sizes and designs that we can supply fixtures to suit the most exacting tastes.

Would you like to have guaranteed plumbing—to know in advance that your plumbing would be dependable? Let us give you an estimate on installing "Standard" ware.

ANNOUNCEMENTS

For County Judge.

We are authorized to announce Clay-ton A. Arnold as a candidate for County Judge of Garrard County subject to the action of the democratic party.

We are authorized to announce James A. Beazley as a candidate for County Judge of Garrard county, subject to the action of the Democratic party.

For Sheriff.

We are authorized to announce C. A. Robinson as a candidate for Sheriff of Garrard County, subject to the action of the Democratic party.

We are authorized to announce Ashby Arnold as a candidate for sheriff of Garrard county, subject to the action of the democratic party.

We are authorized to announce W. L. Lawson for sheriff of Garrard county, subject to the action of the democratic party.

For Assessor.

We are authorized to announce Dave C. Sanders as a candidate for Assessor of Garrard county subject to the action of the democratic party.

We are authorized to announce Mr. E. B. Ray as a candidate for the Nomination of Assessor of Garrard County, subject to the action of the democratic party.

We are authorized to announce J. B. Collier as a candidate for the nomination for assessor of Garrard county, subject to the action of the democratic party.

We are authorized to announce W. L. Huffman for a candidate for assessor of Garrard county subject to the action of the Democratic party.

For Magistrate.

We are authorized to announce John N. White as a candidate for Magistrate, in the first district of Garrard county, subject to the action of the democratic party.

11e Platform Convention.

At the Court House in Lancaster, at 2 o'clock P. M. standard time, Saturday August 12th. The democrats of Garrard County are asked to assemble and select six delegates to attend a state convention in Lancaster, Ky., August 15th and make a platform for the party.

These delegates will be the representatives of the people and we think should go to the state convention instructed by the convention at home as to how we would have them vote upon important planks.

The party seems pretty well united upon all questions of platform except the liquor question. The whiskey element would like for us to ignore the question completely, or declare against the extension of the county unit. We are opposed to the liquor interest controlling our party and would have the delegation from this county instructed to favor a declaration in the platform advocating the extension of the County Unit measure.

The Republican party has declared for the County Unit, and if the democratic platform favors it, the liquor question will no longer be an issue in state politics in Kentucky. If you would be rid of the question, be at the convention Saturday and instruct your delegates to vote for the county unit plank in the democratic platform.

A County Fair

Garrard county has established a reputation for giving one of the best fairs in the state, and justly earned it is, and it should amply be sustained. The recent exhibition was one of the best ever seen in the county and its promoters are to be congratulated on the splendid exhibition they gave. However, the promoters of the last meeting, under the corporate name of "The Lancaster Fair", were incorporated for only one year, rather what would be called a hand to mouth proceeding, and the chances are that should the association be again incorporated under the same name that the same personnel would not be again embraced in the new company, new members would replace some of the old ones, new methods would be introduced and many changes made, for better or worse it is hard to conjecture.

Down in Franklin county where they give one of the very best exhibitions in the state, the clamor of the citizens of the county for stock was so persistent that it was deemed necessary to increase the capital stock.

Now with all due deference to the many fairs that have gone before, and they were all good ones, we believe that the citizens of the county should be given an opportunity to subscribe for stock, that the fair association should be a county affair, and every one who desires should be allowed to have one or more shares; that the shares should have a nominal value that would place them within the reach of all. This method would increase the interest throughout the county in the local fair, would make an interest in it where no interest has ever been before felt. The capital stock should be placed at such a figure as would permit of the purchasing of, or taking a long lease on suitable grounds, and then erecting commodious buildings thereon, including stables which are lacking at the present grounds, and which are sadly needed. Stables would not only be of vast convenience to the horseman and visitors to the fair, but they would prove a source of considerable revenue, and would pay for themselves almost in one season. Another advantage to be derived from having stables on the grounds is the providing of conveniences for horses from a distance in order that they may be near the ring-side, will not have to go backward and forward such a distance between the rings, thereby assuming the risk of being crippled in the crush of autos and other vehicles incident to the occasion. These things should of course be done gradually, the earnings each year used toward equipping and improving the buildings and grounds, and no dividend declared until every thing is in and about the grounds were in first class condition.

Another suggestion which we believe would improve the local fair, is that several rings be provided each day exclusively for Garrard county stock, and that this fact be extensively advertised before hand in order that our people may know that they will not have to compete with the world at large in order to secure a premium for their stock; this will stimulate them to get something ready, and we believe if this method were followed, you would see ten Garrard county animals in the ring where you now see one.

We are glad to have the horsemen from a distance here, and we believe that premiums should be offered that would insure their continued attendance, but we do not believe that horsemen who make a business of handling stock and who have the world to choose from, and any amount of capital with which to secure their entries, should be allowed to come in and compete with our home production, nor do our home people believe this, as evidenced by the continued falling off of the Garrard county exhibits at the Garrard county fair.

Another thing, this as well as the majority of the county fairs has resolved itself into a mere horse show, the old time custom of exhibiting all the farm products, grains, vegetables etc. as well as live stock has been abandoned, much we think, to the detriment of the exhibitions.

Let us erect a small floral hall, where not only the productions of the firm may be exhibited, but also of the dairy and culinary department; also make some provision for the ladies to exhibit their needlecraft and other of their handicraft.

It would take but very little money to provide the premium list for this class of exhibits and it would add very materially to the attractiveness of the fair.

We sincerely hope that before the time comes to think about our next exhibition that someone will take this matter up along these lines, and that with the coming of another July we may see an old fashioned country fair in Lancaster, with provisions and premiums for every class of live stock and farm products raised in Garrard county.

The Record is, and always has been, in favor of the extension of the "County Unit Bill". It believes that the interests of temperance can better be subserved by this measure than in any other way, and it further believes that the democratic voters should look well into the matter of how their candidate stands on this issue before they give him their support.

Our views along this line are just as they have always been, in our editorial column on April 1, 1910 we had the following to say: "We think the principles of the County Unit Bill democratic because it leaves to the will of the majority in a prescribed governmental unit how it shall be governed.

To call those favoring this "cranks", "doughfaces" and other uncomplimentary names and asking that they go over to the republican party, will never

Political Snap Shots Of Lexington Herald.

(By Sherman Harvey.)

Judge Lewis L. Walker, who by appointment of Acting Governor William H. Cox, is Judge of the Thirteenth Judicial District, composed of the counties of Mercer, Boyle, Lincoln and Garrard, in place of the late Judge M. C. Saufley, has made it known to his friends that he will not seek a nomination and election at the hands of the Republican party. Judge Walker is one of the most learned lawyers of the state and a splendid speaker, and his determination was brought about from the fact he was neglecting a large and lucrative law practice. The Democratic majority, too, is hopelessly large. The Democrats have nominated for the judgeship Commonwealth's Attorney Charles A. Hardin of Harrodsburg, a nephew of former Attorney General P. Watt Hardin. He is one of the best criminal lawyers in Kentucky, and as a prosecutor has done much to make his district one of the cleanest in Kentucky. Mr. Hardin will not have any opposition from the Republicans.

The Democrats of Garrard county are backing County Attorney J. E. Robinson to succeed him. Mr. Robinson is now serving his second term and is one of the rising young lawyers of his section. He has prosecuted sixteen persons for homicide in his county, fourteen of whom were convicted, and has banished from its confines the last of the bootleggers and blind tigers.

Garrard county is Republican by 250 majority, but twelve years ago, on account of a laxity in the enforcement of the laws, the people voted the party out of power and entrusted the reins of government to the Democrats. No Republican has since been elected in the county, except a member of the Legislature, who won at the time W. O. Bradley was elected Governor.

Garrard county is the former home of Kentucky's Junior Senator. There, for a more than a third of a century, he was a familiar figure upon the streets of Lancaster, and as a practicing attorney his eloquent voice was often heard in the courts.

Although the Senator's political triumphs have removed him from the old home he is yet honored and revered by those who know him best as one of Kentucky's most gifted sons.

The Democrats of Garrard county have selected their candidate for Representative, J. M. Farra, and he looks

every inch a winner. Prominent as a farmer and a close student of economic questions, Mr. Farrar is looked upon as an ideal candidate for the position to which he aspires. In the primary election he defeated J. A. Doty, ex-County Clerk, an old Confederate soldier, and the present Representative

soldier, and the present Representative

of Garrard county, Jas. I. Hamilton, Chm. Dem. Com. of Gar. Co. Ky.

Trial Continued.

James Ellis and Fount Helton were placed on trial in the circuit court in Somerset last week charged with the killing of Justice Beatty and Constable Heath at Burnside. Because of the absence of a witness and the refusal of the Commonwealth to admit as true an affidavit as to what the missing witness would state, the trial was continued until September 11th. There is considerable feeling in Pulaski county against these men, and because of this, and to avoid the possibility of mob violence Judge Bethurum ordered them removed to the jail at Danville for safe keeping, where they will remain until the time for their trial,

"Tutt" Burnam Dead.

Hon. E. Tutt Burnam of Richmond died at John Hopkins Hospital in Baltimore Md. last Saturday. Mr. Burnam had been undergoing treatment at the hospital for about six weeks.

Mr. Burnam was Referee in Bankruptcy for this district, and was an ex-member of the Kentucky legislature. He was a brother of Messrs Robert, Rollins and Thomas Burnam and Miss Lucy Burnam of Richmond. His remains were buried in Richmond Tuesday afternoon.

"Tutt" Burnam was by no means a stranger in Garrard county and was a frequent visitor in Lancaster, where he had many warm friends. He was a big hearted, whole souled fellow, one who made friends of all with whom he came in contact and his popularity was only limited by his acquaintances.

For sheriff of the county a three cornered fight is now on with perhaps two other candidates yet to announce.

C. A. Robinson, the present chief deputy, is out for the place and has pitted against him ex-Sheriff W. L. Lawson and Ashby Arnold. Former Assessor W. S. Carrier and J. R. Rubles are receptive candidates, and it is said, combine their interests and become a formidable ticket, one taking the position of sheriff and the other chief deputy.

County Judge A. D. Ford, who is serving his third term, has announced that he will retire. Former Chief of Police J. A. Beasley, who gained an enviable reputation for having rid Lancaster of bootleggers and blind tigers, is an announced candidate for the place as is ex-Sheriff C. A. Arnold.

For sheriff of the county a three cornered fight is now on with perhaps two other candidates yet to announce.

C. A. Robinson, the present chief deputy, is out for the place and has pitted against him ex-Sheriff W. L. Lawson and Ashby Arnold. Former Assessor W. S. Carrier and J. R. Rubles are receptive candidates, and it is said, combine their interests and become a formidable ticket, one taking the position of sheriff and the other chief deputy.

E. B. Ray of the Buckeye section, and David Sanders are announced candidates for County Assessor and will make active canvasses.

Green Clay Walker, editor of the Central Record, who has a license to practice law, has announced his candidacy for the office of County Attorney, the present incumbent, J. E. Robinson, having declined to make the race for a third term. Mr. Walker is a young man and has for some time hesitated about giving up the editorial sanctum for the practice of the law.

If he is as successful in the latter as in the former his record will be one to proud of.

Accused Of Stealing.

E. E. Chamberlain, of Clinton, Me., boldly accuses Bucklen's Arnica Salve of stealing—the sting from burns or scalds—the pain from sores of all kinds the distress from boils or piles. "It robs cuts, corns, bruises, sprains and injuries of their terror," he says, "as a healing remedy its equal don't exist." Only 25¢ at R. E. McRoberts & Son.

Attack Like Tigers.

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood.

Col. Joe Embry declares the mule show at the Lancaster fair was the best he had seen in many years. He is an expert judge of mules and believes the breed is improving wonderfully in Central Kentucky.—Climax.

Thirty Years Together.

Thirty years of association think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. So there's no guess work in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and its the best cough and cold cure I ever used." Once it finds entrance in a home you can't put it out. Many families have used it forty years. It's the most infallible throat and lung medicine on earth. Unequalled for la grippe, asthma, hay-fever, croup, quinsy or sore lungs. Price 50c, \$1.00. Trial bottle free. Guaranteed by R. E. McRoberts & Son. 1-m

A special train of eighteen cars left here Friday morning loaded with 237 head of fat cattle, sold by W. J. & R. A. Thomas, of this county, to Simeon Weil, the agent of Nelson, Norris & Co., of Chicago, at 63 cents. The cattle averaged 1,500 pounds. Six car loads of the best are consigned to New York; the other twelve will be exported to England. This is the largest shipment of beef cattle ever made from Shelby county.—Shelby Sentinel.

CURED TO STAY CURED.

How Lancaster Citizens Can Find Complete Freedom From Kidney Troubles.

If you suffer from backache—From urinary disorders—From any disease of the kidneys, Be cured to stay cured. Dean's Kidney Pills make lasting cures.

Grateful people testify. Here's one case of it:

James J. Hill, High St., Nicholasville, Ky., says: "Some time ago my back ached severely and I felt weary and restless. Pain frequently darted through my kidneys and were so severe that I found it difficult to stoop or straighten. I was also troubled by an annoying weakness of the kidneys. The kidney secretions were highly colored and contained sediment. I was always on the lookout for a remedy that would give me relief, and finally I heard about Doan's Kidney Pills. I procured a box and shortly after beginning their use, I found that they were helping me. The improvement continued as I kept taking them and it was not long before the trouble was entirely removed." (Statement given May 15th, 1905.)

A LASTING EFFECT.

On March 2, 1908, Mr. Hill said: "The benefit I derived from the use of Doan's Kidney Pills five years ago has been permanent. I gladly confirm my previous statement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Too much love for fun, frolic and rich food causes stomach, liver, kidney and nervous troubles. Other remedies help you but DENNIS'SURE, SAFE AND SPEEDY cures you. Our discoverer ten years a miserable sufferer with the above troubles, and RHEUMATISM for years, was cured in one week. To prove our remedy, while they last, regular size bottles only 25¢ at.....

CATARRH

Cured by the Marvel of the Century, B.
B.-Tested for 30 Years.

Hawking, spitting, foul breath, discharges of yellow matter permanently cured with pure botanical ingredients. To prove it we will send you a sample treatment free.

Catarrh is not only dangerous but it causes ulcerations, death and decay of bones, kills ambition, often causes loss of appetite and reaches to general debility, idiocy and insanity. It needs attention at once. Cure it by taking Botanic Blood Balm (B. B. B.) It is a quick, radical, permanent cure because it rids the system of the poison germs that cause catarrh. At the same time Blood Balm (B. B. B.) purifies the blood, does away with every symptom of catarrh. B. B. B. sends a tingling flood of warm, rich, pure blood direct to the paralyzed nerves, and parts affected by catarrhal poison, giving warmth and strength just where it is needed and in this way making a perfect, lasting cure of catarrh in all its forms. Druggists or by express, \$1 per large bottle, with directions for the purpose. Sample sent free by writing Blood Balm Co., Atlanta, Ga. Describe your trouble and treat medical advice given. Sold by F. P. Frisbie, in

The 2:16 trot is scheduled for the afternoon of Monday, August 7th; the two-year-old trot for Tuesday afternoon; the 2:22 pace for Wednesday; the three-year-old trot for Thursday; and the 2:20 trot for Friday. In both the 2:16 trot and the two-year-old trot at the Blue Grass fair last year new records for the season were set. There is every reason to believe that these events will be equally interesting in the contests which they offer this year and will probably bring together a larger number of horses.

The most attractive feature in the manner of running races will be a special race for gentlemen riders, which has been gotten up at the request of members of the Lexington Polo club. In this club are being developed a number of expert horsemen and the Gentleman's Cup race will bring together eight or ten of them, mounted on some of the best thoroughbreds to be found in Central Kentucky. This race will be run on Monday afternoon, the opening day of the fair, and the week following.

The 2:16 trot is scheduled for the afternoon of Monday, August 7th; the two-year-old trot for Tuesday afternoon; the 2:22 pace for Wednesday; the three-year-old trot for Thursday; and the 2:20 trot for Friday.
